

2012 Fellowships ↓

Congratulations to Petty Leung, recently appointed a Fellow of The Nautical Institute.

Petty was one of the first female officers in Hong Kong, and has subsequently established a very successful career in weather routing. She was awarded Fellowship for her decades of service to the Hong Kong Branch, her superb mentoring of cadets, particularly the young women entering the industry, and her efforts in attracting young people to a career at sea.

Petty Leung (l) is presented with her Fellowship by Christine Loh, Hong Kong's Undersecretary for the Environment
